What do Czech shoppers buy online?

The shift to more sustainable choices

1 in 3 Czech shoppers say sustainability will become more important to them in the next five years.

Social shopping: connecting trends with the cart

1 in 2 Czech shoppers have made a purchase on social media, and 53% say it could become their top shopping destination by 2030.

Keeping up vs. buying: generational differences

Gen Z are the biggest social shoppers in the Czech Republic, and they mainly buy from Facebook and Instagram. Gen X are more likely to use social media to learn more about a brand and keep up to date with new products.

Do Czech shoppers believe the Black Friday hype?

74% buy online during Black Friday or Cyber Monday – but 17% don't believe the hype.

82% of Czech shoppers are motivated by savings and discounts during Black Friday, with Gen Z and Millennials leading in activity, while Baby Boomers are the least trusting of retailer offers in this market.

How much do Czech shoppers buy and do they trust retailers' Black Friday offers?

	Buy more or the same	Buy less or not at all	Completely or mostly trust retailers' offers
Gen Z	78%	22%	41%
Millennials	79%	21%	33%
Gen X	77%	23%	23%
Baby Boomers	60%	40%	17%

What does it take to win over Czech shoppers?

From high delivery costs to not being offered their preferred payment or delivery methods, the barriers to purchase for Czech shoppers are clear. To turn browsers into buyers, you need to provide the delivery and returns options these shoppers expect – otherwise, they're likely to walk away instead of clicking 'buy now'.

What frustrates these shoppers?

What improvements do they want?

What makes them abandon their baskets?

Where does the Czech Republic buy from?

48% of Czech shoppers buy from retailers in other countries – and 24% do so at least once a month. This rises to 61% for Gen Z and 67% for Subscription shoppers in this market.

62% ↑

buy from other countries to get lower prices

39% ↑

don't buy from other countries because of complex return processes

42% ↑

would feel more confident buying across borders if the website was in their native language

Who buys from the Czech Republic?

Poland

Austria

Germany
