What do Turkish shoppers buy online?

The shift to more sustainable choices

64% of Turkish shoppers say sustainability will become more important to them in the next five years.

Social shopping: connecting trends with the cart

3 in 4 shoppers in Turkey have made a purchase on social media, and 81% say it could become their top shopping destination by 2030.

Keeping up vs. buying: generational differences

Instagram and YouTube are the platforms of choice for Gen Z, Millennials and Gen X shoppers in Turkey, whereas Baby Boomers buy more from Facebook. Baby Boomers are the least active social shoppers but do use social media to keep up to date with new products.

Do Turkish shoppers believe the Black Friday hype?

75% buy online during Black Friday or Cyber Monday – but 15% don't believe the hype.

74% of Turkish shoppers are motivated by savings and discounts during Black Friday. Millennials and Gen Z lead in activity, while Baby Boomers are the least likely to trust retailers' offers and prices.

How much do Turkish shoppers buy and do they trust retailers' Black Friday offers?

	Buy more or the same	Buy less or not at all	Completely or mostly trust retailers' offers
Gen Z	74%	26%	60%
Millennials	82%	18%	53%
Gen X	72%	28%	49%
Baby Boomers	66%	34%	41%

What does it take to win over Turkish shoppers?

From long delivery times and unexpected charges to not being offered their preferred options for receiving or returning their orders, the barriers to purchase for Turkish shoppers are clear. To turn browsers into buyers, you need to provide the delivery and returns options these shoppers want – otherwise, they're likely to walk away instead of clicking 'buy now'.

What frustrates these shoppers?

What improvements do they want?

What makes them abandon their baskets?

Where does Turkey buy from?

58% of shoppers in Turkey buy from retailers in other countries – and 37% do so at least once a month. This rises to 46% for refurbished shoppers and 45% for Gen Z shoppers in this market.

57% ↑

buy from other countries to get lower prices

67% ↑

don't buy from other countries due to customs charges

66% ↑

say clear guidance on customs charges would make them feel more confident buying across borders

Who buys from Turkey?

The UAE

Morocco

Nigeria
