(Valid as of 20 Oct. 2023)

General Conditions

- DHL Global Forwarding, the freight forwarding business unit of DP DHL Group and all its subsidiaries and affiliates, may choose to fulfill any contractual obligation, using any carrier or subcontractor and routing at its sole discretion, unless otherwise agreed in writing.
- Transit times indicated are estimates and actual transit times may differ according to carrier schedules. Further, such indicated transit times do not reflect delays due to export control or customs clearance processes, and are applicable to working days only.
- Total charges offered do not include insurance coverage, unless explicitly mentioned. In case no explicit insurance product is agreed, DHL Global Forwarding's liability is limited to the Standard Trading Conditions defined below and/or the conditions as printed in the Bill of Lading resp. In this regard, we work with our customers and carrier partners to ensure all dangerous/hazardous cargo is correctly declared at the time of booking the shipment and prevent any mis-declaration of dangerous/hazardous cargo. In the event that DHL Global Forwarding's customers mis-declare dangerous/hazardous cargo to be non-dangerous/non-hazardous cargo, all penalties, costs, consequences and liabilities of this mis-declaration will be passed on to the customer.
- DHL Global Forwarding's offers and quotations provide the estimated charges for the shipment specified therein based on their dimensions, weight, mode of transport, shipper/consignee, Incoterms, and pick-up and delivery location. Charges and transit time might differ in case the actual shipment is different from what is specified in the offer/quotation.

If, by reason of a Force Majeure event, DHL determines its ability to service Customer's business (and fulfill all or any part of DHL's obligations under this Agreement) requires it to incur additional costs, or provide additional services related thereto, then DHL shall promptly communicate such to Customer. Customer and DHL shall then confer and agree on all such costs which have been or will be incurred for Services affected by the Force Majeure event, and additional services to be provided as a consequence, before DHL is obliged to continue with the Services or additional services. DHL shall exercise all commercially reasonable efforts to avoid and/or mitigate such additional costs or services.
